

"A Candy Lane Christmas"

LIGHTED CHRISTMAS PARADE 2009

Dear Friends:

It's growing! Thanks to the participation of local clubs, organizations and businesses, the annual Lighted Christmas Parade is becoming a much-anticipated event, and your participation is important to its success in 2009!

On Saturday, December 5, "A Candy Lane Christmas" parade will wind its way through downtown Brenham, and we'd like to encourage you to participate- pick a design that represents this year's theme to you. It can be a song, story, event or childhood memory. Just tell us the name of your entry and decorate and LIGHT the entry (whether a float or trailer) to fit your theme.

The parade is sure to be a holiday highlight, so please include this fun event on your calendar, as you make plans for your holiday schedule.

Although parade entries will be accepted through November 2nd, if you'd like to reserve a particular idea, please call Tiffany McMordie-Morisak, at 337-7374 at any time. We don't want too many floats depicting the same thing!

We look forward to working with you to make this an annual tradition no one will want to miss!

Sincerely,

The 2009 Christmas Parade Committee
